TERROIR

Ideally located on the guarrigues of Sarrians, our vines benefit from a clayey soil with a big proportion of smooth pebbles and gravel from alluvial origin, associated with the Mediterranean climate with its cold winters, hot summers and the famous Mistral... This is this Terroir which allows the development of balanced white wines, offering a beautiful freshness and fullness in the mouth.

VINIFICATION

Grapes are harvested by hand in late august, in the fresh morning then pressed as soon as they arrive in the cellar.
The alcoholic fermentation take place at low temperature.
The wine is intoned in barrels for several weeks.

TASTING

Pale color, with white gold nuances. The nose is elegant, with mineral and fresh notes of verbena, star anise, citron, kumquat and almond powder. Tender and harmonious on the palate. A fine balance between roundness and freshness.
